

FLO

+ Water Defelctor & Protective Faucet Cover with Bubble Bath Dispenser

Instructions

boon[®]

EN

⚠ WARNING

- NEVER leave child unattended while bathing.
- This product is not a toy.
- Flo should be installed by an adult and used only under adult supervision.

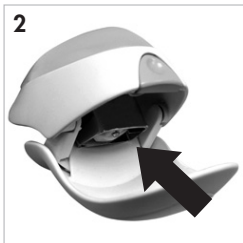

INSTALLATION & REMOVAL

1

To install Flo, squeeze the front top and bottom sections together and fit over faucet. To remove Flo, squeeze front sections and pull off faucet.

2

Make sure the front of the faucet extends over inside flap as shown.

3

Make sure the shower diverter is accessible through top opening.

USING BUBBLE BATH DISPENSER

To fill bubble bath dispenser, lift lid and pour liquid bubble bath into reservoir. Fill for a single use only. Do not overfill.

To dispense bubble bath, press button on front of Flo, with water running.

CLEANING & CARE

Regularly clean Flo with a non-abrasive household cleaner, or warm soapy water, and a soft cloth. Dry Flo completely after use or cleaning. To clean bubble bath dispenser, press button while flushing reservoir with warm water.
